Concise statement of the activities, products, or services provided by the applying organization to the North American Steel Industry:

Steel Industry Relationship – Areas of Interest

Please indicate the appropriate interest area below. You may select more than one.

- Steelmaking – Equipment and Plant
- Steelmaking – Engineering, Construction, Mill Services and Operations Consulting
- Steelmaking – Manufacturing Automation and Process Controls
- Steelmaking – Raw Materials and Energy
- Steelmaking – Consumables
- Steelmaking – Downstream Production and Value Added
- Logistics, Warehousing, and Distribution
- Professional Services Provider
- Downstream Processor
- Customer or Purchaser of Steel for End-Use Applications

Annual Dues

Annual dues are based on your annual sales volume to North American steel companies.

If your sales to the industry are:

	Under \$10 million	\$10 to \$50 million	Over \$50 million
Check your dues category	___	___	___
Your dues are:	\$1,000	\$2,500	\$5,000

Dues for customers, academic institutions, publishers, other trade associations, and non-profit organizations are \$1,000 per year.

Dues are assessed annually during the month of original entry as a member. Dues of \$1000 are payable in full. Dues greater than \$1,000 may be paid in two installments. ***New members should remit dues payment with the application form. Make check payable to the American Iron and Steel Institute. An invoice marked paid will be returned upon receipt of payment and application materials.***

To apply for membership please be certain to :

- Complete the application form
- Complete the capabilities survey
- Include your check payable to AISI for dues

Mail the above to:

American Iron and Steel Institute
 Attn: D. Bell
 1140 Connecticut Avenue NW, Suite 705
 Washington, DC 20036
